A True Story: A sweet grandmother telephoned St. Joseph's Hospital. Timidly, she asked, "Is it possible to speak to someone who can tell me how a patient is doing?"

The operator replied, "Dear, I'd be glad to help you. What is the name and room number of the patient?"

The grandmother in her weak tremulous voice said, "Norma Findlay, Room 302."

The operator replied, "Let me place you on hold while I check with her nurse."

After a few minutes the operator returned to the phone and said, "Oh, I have good news. Her nurse told me Norma is doing very well. Her blood pressure is fine, her blood work came back as normal and her physician, Dr. Cohen, has scheduled her to be discharged on Tuesday."

The grandmother said, "Thank you. That's wonderful! I was so worried! God bless you for the good news."

The operator replied, "You're more than welcome. Is Norma your daughter?"  
"OH NO, I'M NORMA FINDLAY IN 302. NO ONE TELLS ME SHIT!"
